NSBO Membership

Re: AGM Recap & 2018/19 President's Message

Dear NSBO Members,

Every year it seems as though the season approaches quicker. Here we are to start the 2018-19 Season and I am truly pleased to represent Nova Scotia and all of its basketball officials.

On September 23, we held our Executive Meeting and Annual General Meeting at MSVU in Halifax. The meetings were really well attended, which is a testament to our membership, who obviously care deeply about the trajectory of our organization over the next few years. All of you must be commended on the work and dedication you have to our sport, as many volunteer hours are put in by all of you. The executive thanks you for this.

I would also like to extend a warm thank you to the NSBO executive. This was my first year as your President and it is impressive to see how hard your leaders are working in the background on behalf of all of its members.

Our Secretary, Paul Hanson, will be distributing minutes from the AGM to outline the details of our elections and agenda; however, I would like to congratulate all of our Executive members who held positions in this year of election: Alan King (VP), Chris Holland (Member at Large), Reg Jewkes (Provincial Assessor), and Reginald Caulfield (Provincial Supervisor).

Finally, I'm truly excited for the direction we are headed. We have some fantastic initiatives in the coming year outlined in our Work Plan, which will be distributed to all of you in the coming weeks. We have a beautiful Website that will be used as our communication hub. We encourage all of you to visit this regularly for updates and educational material. We are living in an age of technology and communication, so we invite all of you to stay in-the-know.

Thank you for your time and I look forward to seeing you on the court. Stay sharp!

Kind Regards,

Matt Boyle  
NSBO President
